Re: Receipt of Notice of Intention to Commence Small Mining Operations

Dear Mr. Ginouves:

As per the Memorandum of Understanding between the Bureau of Land Management and the Division of Oil, Gas and Mining, we are forwarding a copy of the following Notice of Intention to Commence Small Mining Operations for your review.

DOGM File Number  
S/001/052

Project Name  
White Mountain

Operator Name  
Utah Clay Technology

This project falls within the immediate vicinity of the Blue and Julie White Claims, exploration file number E/001/054 - BLM case number UTU-68596. Therefore, we will close that exploration file and this small mining notice will supercede the exploration notice. Please advise us if the BLM case number will remain the same for the small mining project.

We need to review the small mining notice and respond within 15 days. Please forward any comments you may have regarding this project.

Sincerely,

Joelle Burns  
Minerals Secretary
